**NOTE:** You will be able to access online banking information by directly logging into the [Mebanking.com](http://Mebanking.com) website.

### Mint Data Update – Please complete on or after June 11, 2018

Mint.com data is stored on Intuit cloud servers. Data is updated with every change and data cannot be restored to a previous point in time.

For a successful account update, do not login to Mint.com for **Farmers & Merchants Bank (AR) Retail or Farmers & Merchants Bank (AR) Biz.** until **June 11, 2018.**

**From June 4 – June 10, 2018,** the Mint.com server will automatically make any updates for your activated accounts. If you login to Mint.com during this time, you may see duplicate accounts or an error displayed. Please do not attempt to change the status or make any changes in Mint.com during this time. On **June 11, 2018** the accounts should reconcile showing your transaction history.

In the event your accounts do not display current transactions by **June 11, 2018** you may log back into Mint.com and click **refresh** to update the account. After the download completes, click the **Transactions** tab to view up to 90 days of transaction history.

***Thank you for making these important changes!***
